

BUS INFORMATION & BUS PARKING DIRECTIONS

We recommend dropping off visitors on the same side of the street as the Museum on Elm Street/Route 9 East. If you approach the Museum on Route 9 West (heading uphill from downtown Northampton), drive one block beyond the Museum to Prospect Street and use the traffic island on the right to turn around.

Buses are not allowed to stay parked in front of the Museum. Bus parking is available in a designated area on the Smith College campus. Please see map and directions. Please do not leave the bus unattended.
